

# Guidelines for Parent App Registration

Dear Parents / Guardians,  
We have implemented a smartphone application to facilitate the information delivery to parents and guardians. (Service provided by Codmon, Inc.) Please read the following information before downloading and registering for the app.  
Yours sincerely,

## Is this your first time registering for Codmon as a parent or a guardian?

### First time to use

#### In case this is your first time using Codmon

On App Store or Google Play, please search for "Codmon" and install the first app on the result. Or access from QR code.

#### PC version

<https://parents.codmon.com/>

- The App Store is a service mark of Apple Inc.
- Google Play is a trademark of Google LLC.
- QR Code is a registered trademark of DENSO WAVE INC.

### Currently using / Have used before

#### To add siblings

From the bottom part of your screen, select an icon labeled as "...". Then, choose "Family setting" and add your child's information.

Others

Family setting

#### In case you use Codmon for other Codmon facilities

From the bottom part of your screen, select an icon labeled as "...". Then, choose "Facility setting" and add a facility.

Others

Facility setting

### Language Settings

When the application screen is loaded, change language settings to English by using "Language Settings" which is located in the upper right corner of your screen.

### ID and password

For your child's ID and password, please refer to the distributed document which is written in Japanese. Enter alphanumeric ID and password that are written on the document.

- Users are responsible for packet communication fees on their cellphones during registration and use.
- This app is compatible with iOS, Android, and PC. (For security reasons, feature phones are not supported, so please use the PC version (<https://parents.codmon.com/>) instead.)
- Android is a trademark of Google LLC. • iOS is a trademark or registered trademark of Cisco in the United States and other countries and is used under license.
